WHY CHOOSE FAIR MARKET?

Since 1997, Fair Market has led the development of the value category in ready-to-cook and fully cooked frozen poultry. It remains the core of our business today. Our Grocery and Foodservice customers continue to rely on us to enhance and upgrade their retail selections and dining menus while reducing food costs.

CAPABILITY

Leveraging our buying power and long-standing supplier partnerships, we acquire both opportunity and first-run food items to offer a variety of high-quality products to our customers at exceptional savings. Our company-owned repack facilities and frozen warehouses allow us to ensure quality products that meet Fair Market standards as well those of our customers.

EXPERIENCE

With over 25 years of experience, we have earned a reputation for being diligent, professional, responsive, and collaborative. Our highly experienced staff provides unparalleled customer service.

QUALITY

Our team members follow strict food safety guidelines and standard operating procedures under the supervision of on-site USDA Inspectors who monitor all aspects of our production facility.

BRANDS

What sets us apart is the trust consumers place in us. Fair Market brands are known nationally and trusted by consumers seeking quality at the best price.
